

Elsie

Look at those beautiful markings and those goofy ears! Elsie is beautiful...and sweet too! She came to the shelter as a malnourished, underweight stray that has already gained 15 pounds! She is once again loving life and loving everyone she meets. Her tail is always wagging and she is eager to learn anything you want to teach her in exchange for a tasty treat. Elsie already knows sit and is learning not to jump up on people. She is much more beautiful in person so hurry in to see for yourself!

Life of the Party

I think everything is fun, interesting and meant for play, especially you. Anything you do, I'll want to do too. With my own brand of surprises, life with me will keep you constantly on your toes, and the fun is guaranteed.
